Brand)**

## Touch-Free Dispenser 3pk • (Sanitary)

- Available in two popular colors to fit most decor: Translucent Smoke & Pearl
- Touchless soap dispensers help to minimize the risk of cross-contamination during hand washing
- Up to 92,000 activations or approximately 3 years of service (4-D batteries not included)
- Automatically dispenses a 0.5ml metered dose per activation (up to 2500 hand washes per refill)
- Adjustable setting allows for easy control of dosage amount: 1, 2 or 3 activations
- Meets ADA guidelines -- extends less than 4" from wall
- Optional Drip Tray and Stand available

## Manual Dispenser 3pk • (Economical)

- Meets ADA guidelines -- extends less than 4" from the wall
- Up to 0.7ml dosing per push (up to 1785 hand washes)
- Refill cartridges are easy and hassle-free to load and change out
- Dispenser is made of heavy duty ABS plastic (used to make football helmets)

## Engine Conversions/ Replacement

- In the unlikely chance the DUO dispenser needs maintenance, the engines can be repaired or replaced without removing the dispenser from the wall.
- Engines available for purchase separately for conversions
- Manual dispensers can be easily converted from Touch-Free to Manual or Manual to Touch-Free -- no tools needed

## Proprietary Refills

### Dial Complete® Foaming Soap (3/1.25L) *For A Clean That's Complete*

- America's #1 Brand of Antibacterial Foaming Soap
- Kills more germs than other antibacterial soaps
- 25% milder than other antibacterial soaps
- Kills disease-causing bacteria like E. coli and Salmonella
- 86% prefer to use a Dial branded product in a public restroom

### Dial® Basics Foaming Soap (3/1.25L) *Green by Design, Gentle by Nature*

- Green Seal Certified® formula
- Dermatologist-tested & Hypoallergenic
- Rich foaming lather with aloe & moisturizers
- Ideal for commercial settings including "green certified" office buildings

### Dial® Instant Hand Sanitizer Foam (3/1.2L) *No Soap, No Water, No Germs*

- Kills 99.99% of common germs that may cause disease
- Dermatologist-tested & Hypoallergenic
- CHG-compatible
- Latex and Non-latex glove compatible
- Contains moisturizers to help soften and soothe hands.

Color coordinated refill closures and engine blocks help differentiate between Touch-Free and Manual.

**Red Closures = Touch-Free**  
**Black Closures = Manual**

Manual refills will not fit into the Touch-Free dispensers, however Touch-Free refills will fit into the Manual dispensers.
